

The LGBTQ+ Club was formed to foster social connection, visibility and advocacy for LGBTQ+ residents and their allies within our 55+ community. Our goal is to create a welcoming, inclusive, and fun environment where members feel safe, respected and supported. We believe in building connections and offering opportunities for meaningful engagement through activities that reflect our diverse experiences and interests.

We will offer a variety of events and programs focused on community, education and celebration. From casual gatherings to more structured activities, the club is intended to be a space where people can come together to share stories, learn from one another and build lasting friendships.

We also recognize the importance of visibility and representation. One of our core goals is to help the broader SCA community understand and appreciate the unique perspectives of LGBTQ+ residents, especially LGBTQ+ seniors. By creating a visible and active presence within SCA, the club hopes to foster a spirit of openness, pride and mutual respect.

Membership is open to all residents, whether you identify as LGBTQ+ or as an ally, you are welcome. Your presence and participation help strengthen our mission and grow our sense of community.

If you are interested in joining or learning more about the LGBTQ+ Club, we invite you to contact us at sca.lgbtq.club@gmail.com. We look forward to connecting with you, building something meaningful and being proud together.

LGBTQ+

A place for connection: LGBTQ+ Club. We are excited to announce that the LGBTQ+ Club of Sun City Anthem was officially chartered by the Board of Directors on June 26 during Pride Month. Even more significantly, it became the 60th chartered club in our community. The timing of this approval is especially meaningful, as Pride Month celebrates visibility, inclusion and the ongoing contributions of LGBTQ+ people across generations.
