

## LGBTQ+

When we first floated the concept of an LGBTQ+ Club in our community, we needed 30 committed members to charter. We dared to dream we would hit that number. By the end of our first Club Fair, we had already doubled it. Since our official charter in June,

the support from homeowners and the SCA Board has been overwhelming as we have sailed past 100 members—and we are just getting started.

So, what exactly do we do? We do it all! We have hosted potlucks where new friendships formed over shared recipes, invited speakers to share their unique expertise, and enjoyed movies and live concerts together. We also believe in giving back; through our food drives, we have discovered that building a strong community means supporting the broader community as well. Our first annual holiday party was the perfect capstone to an extraordinary year, and we are already deep into planning for 2026.

Beyond the activities, this club captures genuine connections and a profound sense of belonging. Whether you identify as LGBTQ+, are an ally, or are simply curious, we strive to create a space where everyone feels seen and valued. As it is February, it feels like the appropriate time to remind ourselves: love is love. Community is about showing up, being present, and making room at the table for everyone.

If you haven't joined us yet, we invite you to attend an upcoming meeting. Whether you attend every event or just pop in occasionally, there is a place for you here. Come for the activities and stay for the people. We are already planning more potlucks, speakers, and outings, along with some very special events we cannot wait to announce. Make 2026 the year you connect!
