LGBTQ+ Club celebrates growth and community

The Sun City Anthem LGBTQ+ Club is off to an exciting and inspiring start this year. Formed in June 2025, the club has already grown to 77 members, reflecting the diversity, energy, and welcoming spirit of our community. Members represent a wide range of backgrounds, identities, and life experiences, united by a shared commitment to connection, inclusion, and fun.

One of the club's early highlights was its initial holiday party, which proved to be a resounding success. The event brought members together in a warm, festive atmosphere and set the tone for what the club hopes to offer: meaningful social opportunities, laughter, and a strong sense of belonging. The turnout and enthusiasm confirmed a significant desire for an LGBTQ+ social group in SCA.

In February, club members Mike and Linda Molony hosted an LGBTQ+-themed Trivia-Bingo night, which was both entertaining and inclusive. Mike and Linda began hosting trivia nights on the last Tuesday of the month at Masterpiece Cuisine. Looking ahead, the club has several exciting events planned.

The momentum continues into the summer with a Pride celebration planned for June. This event will honor LGBTQ+ pride, visibility, and community while celebrating the club's one-year anniversary.

With strong membership growth, successful events, and a full calendar ahead, the LGBTQ+ Club is quickly becoming a vibrant and valued part of the community—and it is only just getting started. If you are interested in joining, visit the club website at lgbtq-sca.com.
